Washington State Department of Labor and Industries Electrical Permit Inspection System EPIS

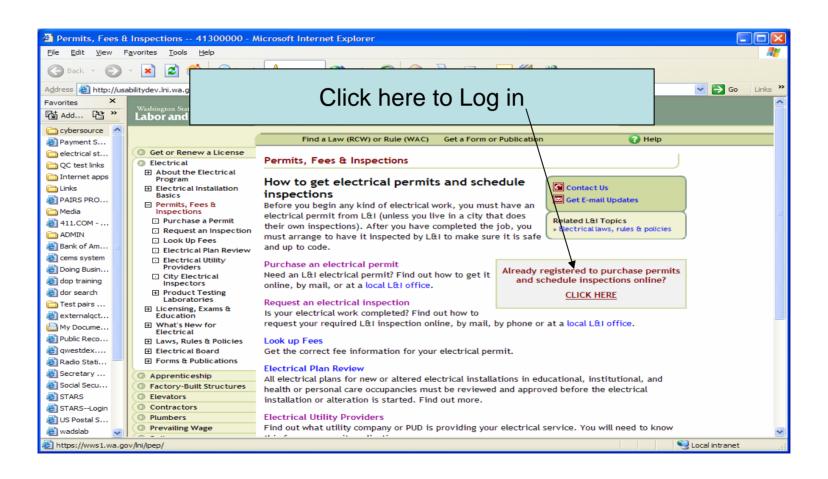

Effective August 2005

Most commonly asked questions

- Can I make a deposit to my account online using a credit card?
 - No this can only be done in an L&I office
- Can I add more items to an existing permit after it has been purchased?
 - You can but you will have to contact your local L&I office to have them make any changes for you.
- How do I get a refund on a permit?
 - Fill out the refund request form and send it to your inspecting office for processing
- If I paid for my permit with a credit card, can the refund be made to my cd account?
 - No if you pay for a permit with a credit card, we can only refund back to the credit card that paid for the permit. These types of refunds take longer than permits that have been paid for in cash/ck or cd account.
